

Part 3: Financial & Support Processes

- [Financial Management & Accounting](#)
- [Inventory Management](#)
- [Asset Management](#)

Financial Management & Accounting

Managing Finances & Accounting

- **Managing General Journals:** Used by the Accounting team to record accounting transactions that do not originate from other modules (e.g., adjustments). Access via the **General Ledger module > General Journals**.

1. Click New

2. Fill in all field

3. Click Save or Confirm (as needed) (Adjust as needed)

- **Bank Reconciliation Process:** Conducted by the Finance team at the end of each month to match the balance in the system with the bank statement. Access via the **Finance module > Bank Reconciliation**.

1. Click New

2. Filter and Search

3. Adjust Currency

4. Click Save or Confirm (as needed)
(Adjust as needed)
