

Debit Notes Inbox

Module Guide: Debit Note Inbox (Accounts Payable)

Module Location

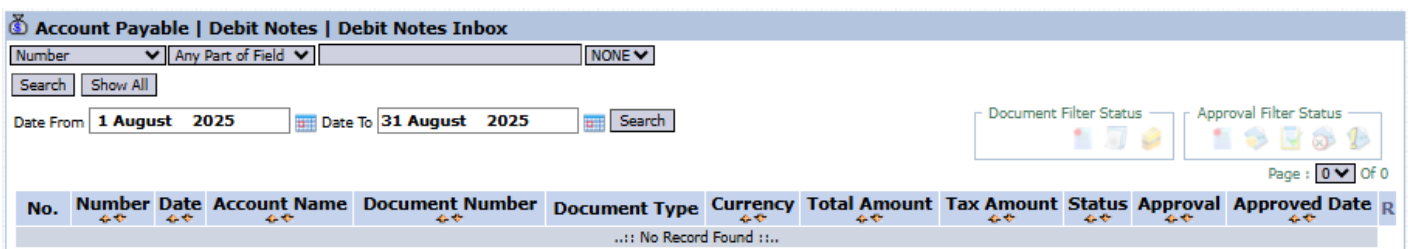

Accounts Payable > Debit Note > Debit Note Inbox

Module Objective

The **Debit Note Inbox** module for Accounts Payable serves as the approval center for all Debit Note documents that have been created and submitted. This module is used by a superior or manager to conduct a final review before the Debit Note can be officially used to reduce a payable to a supplier (vendor).

1. Main View (Debit Note List)

The main page of this module is an "inbox" that displays all Debit Notes requiring your action.

The screenshot displays the 'Debit Notes Inbox' interface. At the top, there are navigation tabs for 'Account Payable', 'Debit Notes', and 'Debit Notes Inbox'. Below the tabs, there are search filters: a 'Number' dropdown menu set to 'Any Part of Field', a 'NONE' dropdown, and a 'Search' button. There are also 'Date From' and 'Date To' fields, both set to '1 August 2025' and '31 August 2025' respectively, with a 'Search' button. On the right, there are 'Document Filter Status' and 'Approval Filter Status' sections, each with a set of icons. Below these filters, a table header is visible with columns: 'No.', 'Number', 'Date', 'Account Name', 'Document Number', 'Document Type', 'Currency', 'Total Amount', 'Tax Amount', 'Status', 'Approval', and 'Approved Date'. The table content is currently empty, showing '...: No Record Found :...'. The page number is 'Page : 0 Of 0'.

View Explanation & Filters

This page provides a summary of all Debit Notes that are awaiting approval.

- **Filters:** You can search for a specific Debit Note by its document number (**Number**) or a date range (**Date From / Date To**).
- **Request List:** The table below will display all Debit Notes awaiting action. The table currently shows "...No Record Found...".

Column Explanation

- **Number / Document Number:** The unique number of the submitted Debit Note document.
- **Date:** The date the Debit Note was created.
- **Account Name:** The name of the supplier (vendor) associated with the Debit Note.
- **Total Amount:** The total value of the Debit Note.
- **Status / Approval:** Icons that indicate the document's status and the approval process status.

2. Approval Process Steps

The following is the standard workflow for an approver.

Step 1: Access the Inbox

Open the **Debit Note Inbox** module to see the list of Debit Notes that require approval.

Step 2: Review the Debit Note Details

Click on one of the rows in the table to open its detail view. In the detail view, you can check all the information that has been input, such as the vendor's name, the amount, the journal details, and the reason for the Debit Note's creation.

Step 3: Provide Approval

After you open and review the Debit Note details in Step 2, you will find the buttons to grant approval (e.g., "**Approve**" or "**Reject**" buttons) **within that detail page**. Click the appropriate button to complete the review process.

3. Workflow & Integrated Business Process

1. **Submission:** A user (e.g., AP staff) creates an entry in the **Debit Note (AP)** module and clicks [**Confirm**].
2. **Entering the Queue:** The confirmed Debit Note automatically enters the queue in this **Debit Note Inbox** module.
3. **Review & Approval:** A manager or approver opens this module, reviews, and provides approval from within the detail page.
4. **Finalization:** After approval, the Debit Note becomes an official document that can be applied to **reduce the payment amount on a vendor's invoice**.
