

Quotation Inbox

Module Guide: Quotation Inbox

Module Location

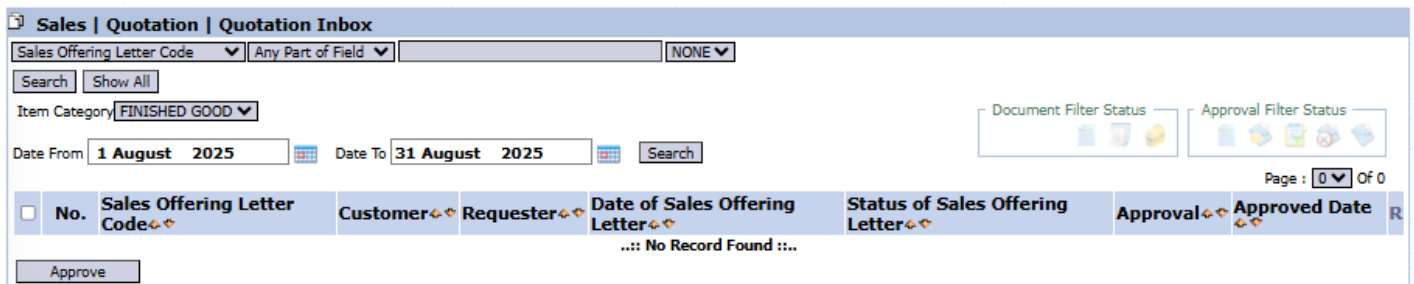

Sales > Quotation > Quotation Inbox

Module Objective

The **Quotation Inbox** module serves as the approval center for all **Quotation** documents that have been created and submitted by the sales team. This module is used by a superior or manager to conduct a final review and provide approval before an official price offer can be sent to the customer.

1. Main View (Quotation List)

The main page of this module is an "inbox" that displays all quotations requiring your action.

The screenshot displays the 'Sales | Quotation | Quotation Inbox' interface. It features a search bar with 'Sales Offering Letter Code' and 'Any Part of Field' dropdowns, and a 'NONE' filter. Below the search bar are 'Search' and 'Show All' buttons. The 'Item Category' is set to 'FINISHED GOOD'. The 'Date From' is '1 August 2025' and 'Date To' is '31 August 2025'. There are 'Document Filter Status' and 'Approval Filter Status' sections with icons. The table below has columns: 'No.', 'Sales Offering Letter Code', 'Customer', 'Requester', 'Date of Sales Offering Letter', 'Status of Sales Offering Letter', 'Approval', and 'Approved Date'. The table is currently empty, showing '...: No Record Found ...'. An 'Approve' button is located at the bottom left of the table area.

View Explanation & Filters

This page provides a summary of all quotations that are awaiting approval.

- **Filters:** You can search for a specific quotation by **Sales Offering Letter Code**, **Item Category**, or a **Date From** and

Date To range.

- **Request List:** The table below will display all quotations awaiting action. The table currently shows "...No Record Found...".

Column Explanation

- **Sales Offering Letter Code:** The unique number of the submitted Quotation document.
- **Customer:** The name of the customer who will receive the quotation.
- **Requester:** The name of the user or employee who submitted the quotation.
- **Status of Sales Offering Letter / Approval:** Icons that indicate the document's status and the approval process status.

Button Functions

- **Approve:** The main action button to approve one or more selected quotations.

2. Approval Process Steps

The following is the standard workflow for an approver.

Step 1: Access the Inbox

Open the **Quotation Inbox** module to see the list of quotations that require approval.

Step 2: Review Quotation Details

Click on one of the rows in the table to open its detail view. In the detail view, you can check all the information that has been input, such as the product details, prices, discounts, and other terms.

Step 3: Provide Approval

After you have reviewed and are certain about the submitted quotation:

1. Return to the main **Inbox** page.
2. Check the box in the leftmost column for one or more quotation rows you wish to approve.
3. Click the **Approve** button located in the bottom-left section of the page to process the approval. 

3. Workflow & Integrated Business Process

1. **Submission:** A salesperson creates a document in the **Quotation** module and clicks **Confirm**.
 2. **Entering the Queue:** The confirmed quotation automatically enters the queue in this **Quotation Inbox** module.
 3. **Review & Approval:** A manager or approver opens this module, reviews, and provides approval.
 4. **Finalization:** After approval, the Quotation becomes an official document, its status is updated, and it is ready to be printed and sent to the customer, as well as serving as the basis for the creation of a Sales Order.
